Yoshizawa Nursery	23105 - 68th Avenue	Langley	BC	5-08-PR-217-02
*Currently there is no <i>P. ramorum</i> Certification available for retail nurseries, garden centres, and landscapers. Some retail and landscape companies may own separate facilities where plants are grown for wholesale purposes and these may be certified. Retail nurseries may purchase <i>P. ramorum</i> Certified plants from Certified nurseries, but once these plants are in the retail setting, they are no longer certified due to plant/human movement.
